Using water-resistant Oxford fabric, it is wear-resistant, tear-resistant, easy to clean, and can be used repeatedly daily, providing stable support.
3. Removable toilet opening, more convenient for daily care
With a removable toilet design, the edges are soft, and the Velcro is used for opening and closing, balancing comfort and practicality, making daily care more convenient.
4. Double-line reinforcement, more stable load-bearing support
Double-line reinforcement process at key stressed areas, enhancing overall durability, and providing more stable support during lifting and shifting.
5. Dual-purpose for home and institutions
Suitable for families, hospitals, nursing homes, and rehabilitation centers, suitable for the elderly

WIDE APPLICATION

产品介绍 Product introduction

Model：H090
Post-operative shoulder support pillow

Regarding this product
Post-operative recovery and shoulder support - This shoulder surgical pillow is designed with ergonomic principles, providing comfortable support for injured or post-operative shoulders, biceps, or elbows, helping you complete the recovery process comfortably and safely.
Adjustable shoulder strap design - Detachable and adjustable shoulder straps, suitable for standing, walking, sleeping, or sitting, achieving perfect positioning and stability in daily activities. Using this shoulder pillow can enhance your comfort. After recovery, the straps can be removed, and the pillow can be used as a regular pillow.
Soft and breathable fabric - Based on the experience of existing products, we chose a slightly cooler fabric that is soft and breathable. It can meet the needs of most people not sweating during use. Its skin-friendliness allows you to use it more comfortably. Using the breathable shoulder pillow can also help with recovery.
Easy-to-care detachable pillow cover - The downy pillow cover features a hidden zipper design, making it easy to remove, machine wash, and reuse, ensuring your shoulder pillow remains clean and fresh during the recovery process. The zipper design also allows for easy adjustment of the pillow's firmness to meet the recovery needs of different people.
Thoughtful product - If someone in your life is about to undergo shoulder surgery, this shoulder support pillow can serve as a practical and comfortable gift to express your care for your loved one. Product Information

Model: H123 Foldable seat cushion

Regarding this product

1. Powerful cushioning, pressure relief for the buttocks
The thickened honeycomb gel seat cushion offers excellent support, evenly distributing the pressure from prolonged sitting, alleviating fatigue and discomfort in the waist and buttocks, and providing comfort even during long periods of sitting.
2. Expanded size, full-body support
The seat cushion covers the entire seat area, enveloping the buttocks while supporting the lower back and pelvis, significantly enhancing comfort. The double-layer thickened gel is suitable for long-term sitting individuals.
3. Durable and non-deformable, long-lasting support
Unlike ordinary seat cushions, it does not collapse or deform over time and maintains its original shape, providing stable and reliable support, with a lasting sense of comfort.
4. Soft plush fabric, anti-slip and stable
The surface is made of soft plush material, providing a comfortable and soft touch. The seat cushion can be folded and has both appearance and practicality. The bottom is equipped with anti-slip silicone particles, ensuring stability and preventing displacement, making sitting more comfortable for long periods.
5. Portable and versatile, thoughtful gift
Lightweight and easy to carry, it can be used at home, in vehicles, during long trips, or at the office. Suitable for sports fans, frequent travelers, and shift workers. With worry-free after-sales service, it provides more peace of mind for use.

老年人围兜

关于该商品

1.适合全天穿着:成人围兜独家专利防水层可阻挡溢出、热饮和口水,采用吸水毛巾布和柔软的边缘,防止颈部刺激。 防水围兜层在吸水毛巾布下保持低调。 完全覆盖上半身,适合老年人和老年人。
2.方便的面包屑收集器:毛巾围兜固定底部的按扣以激活碎屑收集器;保持不扣,以延长覆盖范围。 男女防水围兜衬里可阻挡溢出物,不会笨重层,非常适合家庭护理或餐厅外出。 与普通衬里不同,我们的成人围嘴可保护衣服不粘稠。
3.颜色协调实用:为成人选择配套围兜(蓝色/蓝色、粉色、灰色/灰色) – 使用一个围嘴,另一个是机洗。 男女可重复使用围嘴保持颜色和柔软度,用湿布擦拭溢出物或扔到洗衣机中 - 不会褪色或缩水。 捕捉食物残渣(减少清理时间)
4.适合日常使用:轻量的食物围兜随着运动而自然弯曲。 边缘可防止用餐时卷曲。 非常适合卧床患者或老年人在吃饭时看电视。
5.周到的备用系统：我们的成人围裙围兜适合不同的喜好,每包两个围嘴可覆盖日常轮换。 非常适合卧床病人、老年父母或护理院工作人员管理多种护理需求。

产品介绍 Product introduction

Model：D046
Incontinence Underwear

Regarding this product
1. 【100~150cc Absorption Capacity】 Large absorption capacity ranging from 100 to 150ml, suitable for mild to moderate urine.
2. 【Comfortable Wearing Experience】 The main body of the pants is made of 100% cotton, a soft and skin-friendly material. Good breathability, with a front-opening design, easy to put on and take off. Convenient for movement, without a constraining feeling. Elastic waistband, suitable for various sizes.
3. The appearance is the same as ordinary pants: exactly the same design as men's casual shorts. Not heavy with a diaper-like feeling, combined with simple checkered patterns, it has no incongruity with daily wear, and will not feel natural and snug when going out.
4. [Usage Scenarios] Our men's diaper pants can be used for various occasions such as daily outings, long-distance travel, recovery care, outdoor activities, social events, etc.
5. 【Excellent Durability, Simple Cleaning】 Through special processing, it can maintain good absorption capacity and shape even after multiple washes, reusable, economical and environmentally friendly. The washing method is simple, machine washable.
